# **Brian Levis**

blevis@berkeley.edu

brianlevis.com github.com/brianlevis Inkedin.com/in/blevis

Major GPA: 3.8

Summer 2017

Overall GPA: 3.5

### **Education**

University of California, Berkeley | May 2019

B.S. in Electrical Engineering and Computer Sciences

Coursework:

EE 16A/B: Information Systems I/II CS 61A: Programming Paradigms CS 61B: Data Structures

CS 61C: Computer Architecture CS 70: Discrete Math & Probability

Math 53: Multivariable Calculus Math 54: Linear Algebra Physics 7B/C: Physics for Eng. II/III

CS 161: Computer Security (Fa17) CS 170: Efficient Algorithms CS 186: Database Systems

CS 188: Artificial Intelligence (Fa17) EE 126: Random Processes (Fa17)

## Work Experience

### **Adobe Advertising Cloud**

Software Engineer Intern | Machine Learning Team

Built internal tools to evaluate model performance and monitor health of data pipelines

#### **OpenText Analytics** Summer 2016

Software Engineer Intern | Server Team

Created a Java-based patching tool that was shipped with the Fall product release

### Technical Skills

Java | Python | C | Bash | SQL | LaTeX | Arduino | CAD | Git | Tableau | AWS

## **Projects and Activities**

## **Automatic Nerf Sentry Gun**

Built a 2-axis Nerf turret with the goal of recognizing faces and targeting moving objects

Powered by Arduino, Raspberry Pi

### Tweet Runner | CSUA Hackathon | 3rd Place

Fall 2015

Worked in a team of three to build a browser game that responds to the live Twitter stream Used a Python wrapper for the Twitter API to serve a JavaScript front-end

#### Radio Map | CSUA Hackathon | Honorable Mention

Spring 2016

In Progress

Worked in a team of three to build a location-based radio player and road trip map Used a Flask server to scrape and traverse Wikipedia and search YouTube for music

FIRST Robotics | 1719 | Sub-team Lead, Project Manager, Business Manager

2011 - 2015

Oversaw robot design and system integration, coordinated fundraising, grants, and policy

#### Vex Robotics | 1727B | Team Captain

2012 - 2015

Won multiple local tournaments and statewide awards

### **Volunteer Work**

Baltimore City Schools Middle School Robotics and Summer School Program	2013 – 2015
Johns Hopkins Hospital Summer Junior Volunteer Program	2013 – 2014
